APPROVALS

Agenda (Current)

Chairman Beggs asked if there were any corrections to the current agenda.

A motion was made by Commissioner Jopling to approve the current agenda as written and was seconded by Commissioner Hollimon and passed unanimously.

NEW BUSINESS

1. Consideration to Approve Bid for School Drive

Chairman Beggs states that the reason we have called this special meeting is due to school starting August 7th and the need for this road project to be finished beforehand. We had two bids, one from Allstar and one from Beams. Lori sent an email out to both companies, at the same time, with information of the dates that we needed this work done. Beams responded that they could start the work immediately. There was no response from Allstar. Due to the urgency of this job getting finished, the Board of Commissioners went with the higher bid, Beams. Beams are also on the work site already completing another job.

A motion was made by Commissioner Hollimon to approve Beams' Bid for School Drive. The motion was seconded by Vice Chairman Wilson and passed unanimously.

ADJOURNMENT

A motion was made by Commissioner Jopling to adjourn the special called meeting at 9:37 am, seconded by Vice Chairman Wilson and passed unanimously.
