PUBLIC HEARING

1. FY 2025 Millage Rate

The presentation given can be found in the agenda packet. The McDuffie County Board of Commissioners is authorized to set the millage rate for 2025. The Board of Commissioners may maintain the rate from 2024 (7.809 mills), reduce the rate to the rollback rate (7.624 mills), or set millage at another rate it desires. The McDuffie County School Board has determined its millage rate to be 15.161 mills.

Synopsis: Millage Rate is proposed to be the same rate as 2024 at 7.809 mills. Tax Digest increased over the last year by 3.36 %. Tax Revenue to increase by \$165K over the rollback rate. Estimated revenue at 100% collection \$6,987,081.94. Shortfall between budgeted revenue and estimated revenues \$290,000. There would be an increase of tax revenue of \$227K from 2024 to 2025.

While the tax rate will not change, your taxes will increase by 2.46% for the county's portion. This will be due to increases in your taxable property value. Taxpayers should see an overall tax bill decrease, due to the school millage being reduced. This only affects your taxes, not the fire fee.

ADJOURNMENT

A motion was made by Vice Chairman Wilson to adjourn the meeting at 10:20 a.m. The motion was seconded by Commissioner Favors and passed unanimously.
